

## EPSOFT SOFTWARE END USER LICENSE AGREEMENT (EULA)

12/February/2020

This is a legal agreement between you (either an individual or a company) and EPSoft. [Product: JetAnywhere, Asian Fonts] This is an agreement of end user's right, not a sales contract.

- 1. Grant of license:** EPSoft hereby grants you a non-exclusive, non-transferable, non-sub licensable limited license to the Software and any intellectual property related to the Software including, but not limited to, user manuals and implementation instructions. You should read this Agreement carefully before opening the Software package, installing or using the Software. Once you open the Software package, install or use the Software, you are deemed to have agreed to the contents of this Agreement.
- 2. Copyright:** The Software and all related intellectual property is owned by EPSoft and protected by Republic of Korea copyright laws and international treaty provisions. You shall not use or copy the Software without usage authorization of EPsoft. You also shall not copy the printed materials accompanying the Software, nor print copies of any user documentation provided in online or electronic form.
- 3. Other restrictions:** You shall not rent, lease, or lend the Software and accompanying materials on a permanent basis to any individual or company. You are not allowed to share this Software and its documentation on the website, hosted Server, or in a cloud environment. You shall not, nor permit any third party to reverse engineer, decompile, disassemble, modify, adapt, create derivative works from or otherwise attempt to derive source code from the Software provided. You agree to not ship, transfer, or export a demo or trial version of the software into any country. You agree to not use the software in any country other than the country where the software was obtained. You acknowledge that if you use a demo or trial version of the software for over than 2 months, you may be charged a software license fee.
- 4. Collect and use data**
  - 1) EPSoft may collect user information, computer operating system information, and system information for registering "Products". This is used only for registration, technical support or efficient use of "software" EPSoft will comply with the applicable laws and will not deliver or disclose the collected information.
  - 2) During purchasing, selling, and supporting products, EPSoft can request "user" information, such as mobile phone number and others. EPSoft will comply with the applicable laws and company privacy policy.
